Church Library

Our church's library is located near the rear exit of the main hallway. It houses books that cover a wide range of topics, such as family, parenting, marriage, and many more. Additionally, you can find commentaries on every book of the Bible and a great selection of Study Bibles.

If you want to borrow a book from our library, simply jot down the titles you want in the black binder placed on the bookshelf. You can keep the books for as long as you need, but once you're done, please return them to the black box located between the center bookcase. It's essential to write the return date next to your original entry in the black binder. Other members of the church family may also want to use them, so please keep that in mind.

If you have any questions or need more information about our church library, please feel free to contact Amanda at harvey.faithpca@gmail.com.

Our mission is to provide a wide range of materials, written and recorded, for all ages, to encourage and inspire those who come through our doors.

In Faith Library, you will find a great selection of authors, such as Charles Spurgeon, J.I. Packer, Jerry Bridges and many more.

“

Anxiety is living out the future before it gets here. Faith is trusting that when the future comes, our Father will be there to give us what we need.

What did Daniel tell his real estate agent?
